## Airport

Atlanta's International Airport (Hartsfield-Jackson) is served daily by many major airlines, including: Air Tran, American, Continental, Delta, Frontier, Midwest, Northwest, Spirit, United and US Air. Hartsfield-Jackson Airport is approximately 1 hour and 20 minutes from Berry College.

In the spring of 2009, PSU named national wrestling legend, Cael Sanderson, their 12th head wrestling coach and immediately, the nation looked East. As Sanderson left his alma mater of Iowa State and moved himself, his staff and three families to Happy Valley, the nation's high school wrestlers took notice and a roomful of already dedicated Nittany Lion grapplers smiled, cheered and geared up for a new era in Penn State wrestling.

Sanderson comes to Penn State after three extremely successful years as the head coach at Iowa State. Sanderson's teams did not finish any lower than fifth at the NCAA Championships and never had a wrestler not qualify for nationals, getting 30 of 30 grapplers through to the championship tournament.

In 2007, Sanderson's rookie campaign, he led ISU to a 13-3 dual meet record and the first of three straight Big 12 Championships. An NCAA Runner-Up finish in Detroit capped off a wildly successful year as the Cyclones crowned one national champion and Sanderson was honored as Big 12 Coach of the Year, National Rookie Coach of the Year and National Coach of the Year. The next year, Sanderson led ISU to a 16-4 dual meet mark, another Big 12 title and a fifth place finish at nationals. Iowa State's seven All-Americans in 2008 were the most at the school since 1993.

As a wrestler, Sanderson established himself as the most dominant collegiate competitor in NCAA history. In four years, Sanderson never lost. From 1999-2002, he posted a 159-0 career record (going 39-0, 40-0, 40-0 and 40-0); won four individual National Championships; won four Most Outstanding Wrestler awards at the NCAA Championships (the only wrestler in NCAA history to do so); became the first freshman in NCAA history to win the O.W. honor and won three Dan Hodge Trophies as the nation's best collegiate wrestler (also a collegiate first). He wrestled his first three years at 184 and then moved to 197 as a senior. The four-time All-American's four-year streak of perfection was called the No. 2 most outstanding achievement in collegiate sports history by *Sports Illustrated* and the NCAA called his final win (in the 2002 NCAA 197-pound championship) one of the NCAA's "25 Defining Moments" for its Centennial celebration. His wrestling career culminated in 2004 when the Heber City, Utah native won the 84 kg Olympic Gold Medal in Athens, Greece.

## Purpose and Goals

Dear Wrestling Coaches and Wrestlers:

On behalf of myself, my coaching staff, and the entire Penn State wrestling program, it is our privilege to invite you to experience the new era in Penn State wrestling camps. Regardless of your skill level, we promise to give you the opportunity to improve your wrestling prowess through lecture, demonstration, and plenty of on-mat application. My staff will be joined by many of our Penn State wrestlers to ensure you receive the instruction you need to become a more accomplished grappler.

Please plan on joining us this summer in one of our wrestling camp programs. We are certain that you will not be disappointed.

Best regards.

Cael Sanderson, Head Wrestling Coach

## Camp Description

Talk about the best of both worlds! We have created a combo camp that will take the best elements from a Team, Technique and Intensive training camp. This camp will be great for teams and individuals to establish camaraderie, leadership and mental strength. Everyone knows that wrestling is an individual sport; however, the team element is an essential ingredient in any wrestler's success. We recommend that teams come with their full roster in order to get the true meaning of this camp. The camp clinicians and counselors will teach the same cutting-edge techniques and philosophies that are currently being used in the PSU room today. Be prepared to wrestle duals and situational live wrestling daily! Early morning runs and session-ending conditioning will challenge your mental psyche and your emotional toughness. This camp will be demanding, however, it will provide wrestlers with the mental and physical tools needed to be champions in the upcoming season.

## Fees

The camp includes instruction, room and board, secondary insurance and facility usage. Please note: No food or lodging is provided for commuters.

**PSU-Berry College Team Training Camp:**
